E-100 MICRO-MOBILITY

SAFETY CERTIFIED

AWARDED TO

_____

who passed the E-100 Defensive Rider Examination with a score of _____ %.

This rider has demonstrated a core understanding of urban traffic safety, hazard mitigation, and vehicle dynamics based on materials from Colorado DMV manuals for safe usage on Veo, Lime & Bird e-scooters, e-bikes & e-vehicles. This endorsement prepares micromobility riders with the essential skills required when advancing toward a state Motorcycle Operator's License.
